Refer to your letter no. IT/TEQIP-II/925 dated 24.10.2013, as per your permission I have completed short-term course on "Computer Network Using CCNA" from 28.10.2013 to 01.11.2013 at NITTTR, Chandigarh.

Following contents were included in the above said short term course –

Overview on networking , IP addressing and sub-netting, designing of LAN and VLAN Network, configuring the CISCO Switches & Routers and implementation of various routing protocols (RIP v1,RIP V2,EIGRP,OSPF) and Access Control list (ACL) using GNS3 Network Simulator Software.

The above contents were beneficial to enhance my knowledge and skill. Several new points I got during this training, because the syllabus of this course was about advance Computer Networking with Cisco Technology.
