

T&O P-15 CO-ORDINATOR
CWD&C, LDH.

REPORT.

I have attended a Short term Program on "Operations & Supply Chain Mgt" from 5-9th sep. 2016 at NIT Jalandhar.

The course started with the Introduction by our course co-ordinator Dr. Arvind Bhardwaj. Dr. Rajiv Sharma HOD MGT from NIT Hamirpur who focused on Six Sigma in SC. In post lunch session followed by Dr. Ajay Gupta who shared TOC theory in SC.

Day II - started with Dr. Kuldeep Singh Sangwan from BITS, Pilani on Reverse Logistics & Integrated SC & Assessment & Evaluation of Collection Methods in RL which is a global challenge to day. He highlighted that how we are depleting the Natural Resources. Post lunch session was covered by Dr. Surya Prakash Singh from IIT Delhi covering MCDM techniques.

Day 3: started with session ^{by Dr. M. Mishra} from DCRU, Mumbai who discussed Simulation in SC & Agile Manufacturing. The post lunch session was from IIT Madras by Dr. G. Srinivasan ⁷ had video conferencing.

Day-4: started with session by Dr. Ashok Pandey OM, NITB Mumbai who took up Distribution Network Designing in Supply chain & Coordination. He was pioneer in this field & very senior member & panelist & Case Studies

Day-5: the final day started with Dr. Eshwar Das Pal from NITJ who discussed Network Design & Uncertain Environment

Dr. Pardeep Kumar from IIT Roorkee.

Very serious fund of discussed good progress
and Reverse Logistics with very powerful presentation.
The last session of the course was taken by
Dr. Sandeep Singh Bed from WITS. on Green Supply
Chain Management

Except from your good knowledge, I have marked
the Venerable speakers for future courses
to be considered in GNDRC - as resource persons.

I thank you for granting me the permission
to attend this prog.

Regards -

(D. S. Bed)
