Management Development program “Academic leadership”

3-13th June 2013, IIM Kozhikode

This two week program was organised by the team of Dr. Saji Gopinath, Professor and Dean IIM Kozhikode. Around 25 participants of various TEQIP institutions all over India attended this program. Faculty members of IIM Kozhikode including the Director were the resource persons. Major topics covered during the course are given below:

- Academic Leadership in Technical Institutions
- Strategic Visioning and Development workshop
- Time Management for Education Administrators
- Creating World Class Institutions
- Performance and Talent Management in TEQIP Institutions
- Performance and Talent Management in TEQIP Institutions
- Managing Change
- Creativity and Innovation in Institutional Development
- Training and Development need assessment in Educational Environment
- Academic Governance and Autonomy
- Research Funding Avenues
- Branding of TEQIP Institutions
- Strategic Plan Presentation
- Technology Based Learning
- Alumni Relations

It was a very good academic program where lot of depth and breadth of management of technical institutions in reference to TEQIP were deliberated. It was a wonderful learning experience. The ambiance of classrooms, library were the major strengths visible during 13 day stay at the campus.

Dr. Sehijpal Singh

(Prof. and Head, Mechanical Department)
