

## **Report**

### **Internationalization of Higher Education 2014**

20 – 22 March, 2014, Raddison Blu, Jaipur conducted by NGO, “Quality for you”

After formal inauguration, the seminar was started with a very good introductory lecture by Dr. Aarti Srivastava, Associate Professor, National University of Educational Planning and Administration (NUEPA). After that she delivered detailed lectures on two topics i.e. Researching Higher Education and Innovations in Teaching Learning. It was followed by an impressive discussion and interactive session which was very good experience as people from many institutions took part in the discussion. Dr. Arun Shandilya, Professor, Electrical Engineering, MANIT Bhopal delivered a lecture on Internationalization of Higher Education: Issues, Challenges and Opportunities. Good information data was shared by the speaker. Dr. Nawal Kishore, Professor, Guru Jambheshwar University of Science and Technology, Hisar, delivered a lecture on the present state of affairs on higher education in Indian institutions. It was observed that the program was unnecessarily extended to three days. Two days were sufficient as per content of the seminar.
