

Tour Report

International Conference on Smart Technologies for Mechanical Engineering (STME-2013), October 26-27, 2013, Delhi Technological University, Delhi

The international conference was organized by DTU, Delhi from Oct. 26-27, 2013. The said conference was attended by more than 400 participants. Following papers were presented in the said conference (First two as lead author and last as co-author). Also I have chaired one session in the conference.

Paper Title	Author's detail	Publication Details	Page No.
Process capability analysis for replication of FDM based patterns by vacuum moulding in biomedical applications	Rupinder Singh, Gurinder Singh	Proceedings of International Conference on Smart Technologies for Mechanical Engineering (STME-2013), October 26-27, 2013, Delhi Technological University, Delhi	637-640
Effect of double and triple particle size Al_2O_3 reinforcement on properties of AMC prepared by vacuum moulding	Rupinder Singh, Kanwalpreet Sahni	Proceedings of International Conference on Smart Technologies for Mechanical Engineering (STME-2013), October 26-27, 2013, Delhi Technological University, Delhi	641-644
Development of MMC by combining stir casting and ABS replica based investment casting	S. Kumar, Rupinder Singh, Ranvir Singh	Proceedings of International Conference on Smart Technologies for Mechanical Engineering(STME-2013), October 26-27, 2013, Delhi Technological University, Delhi	645-649

This conference provided an opportunity to present our work at international platform in India.
