The Principal,  
Guru Nanak Dev Engineering College,  
Ludhiana.

Subject:- Introduction of additional courses in B.E.  
Computer Science & Engg. and Structural Engg  
& Construction Management.

Kindly refer to your letter No.17-A/314 dated  
29-01-97 on the subject noted above.

The matter has been examined and it is considered  
that the proposal for the starting of B.E. Structural Engg  
& Construction Management is not in line with the thinking  
at the State/National level as no new courses in Civil  
Engineering is to be started at the moment. You are  
requested to kindly re-consider your proposal accordingly  
and in case you still fee that this course is a requirement  
of the College, the desirability of starting this course  
in place of the existing Civil Engg. Course may be  
examined.

At the moment your proposal for starting B.E.  
Computer Science and Engg. can be processed and submitted  
to Government for consideration and final decision. Your  
views in the matter may kindly be conveyed per return of  
post positively.
