Subject: Invitation for Expert Talk during Two Weeks Orientation of Industrial Training Program for Final Year B. Tech. Mech. Engg. students from 11.06.2018 to 21.06.2018
Sir,

We are conducting a Two Weeks Orientation of Industrial Training Program for Final Year B. Tech. Mechanical Engineering students from 11.06.2018 to 21.06.2018 in two sessions (Session I: 9:30 am to 11:00 a.m.; Session II: 11:15 a.m. to 12:45 p.m.) as a mandatory requirement of the curriculum.

This program is designed with a specific aim to enhance the effectiveness of one semester industrial training of the students by guiding and orienting them before proceeding for industrial training in a specific industry. The experts from industry and other related organizations are invited to interact with students and cover some of the specific technical or managerial topics whose knowledge and exposure is important before proceeding for industrial training.

We feel privileged to invite you to deliver expert talk during this program as per the following details:-

Date: 14.06.2018

Time: 11:15 am to 12:45 PM (Session II)

Venue: Dept. Seminar Hall, Mech. Engg. Deptt.

A word of reply in this regard will be highly appreciated. Please e-mail your final confirmation to cme@gndec.ac.in or gulvir75@gmail.com or send through SMS at +91-9592457515 (Gulvir Singh) or undersigned.

TA / Honorarium will be paid as per the college rules. Kindly bring the information of your bank account number and IFSC code of your bank as payment will be directly credited into your account.

Thanks and warm regards,

(Paramjit Singh Bilga)

Seminar on Value Added Concrete

One session term "Value Added Concrete" was conducted at Guru Nanak Dev Engineering College, Ludhiana on 27/02/2019. It is being conducted for the Civil Engineering Department students with an aim aware the students with latest trends in concrete technology. Head of the department Professor K S Gill extended a warm welcome to official of Ultra-tech and briefed the audience about the program. The speaker Mr. Jatinder Pal Singh Randhawa from Ultra-tech Cement delivered the technical talk about latest development in the concrete technology and different kind of newly invented concrete. He discussed the importance of concrete production and its use in the development of infrastructure of nation. Students listened the talk with interest to learn latest up-gradation happening in the field as it will help the local community to built better and sustainable houses. Because, in the Ludhiana a lot of construction activities are coming up as the Smart city project being implemented by the Govt. In the city is moving toward its culmination. This becomes the need of the hour to use such resources which will produce least pollution. The talk gave very clear idea how it helps to the designers to plan their buildings to reduce the cost of the buildings without investing anything extra and ensured their durability and reduces the cost associated with the repair and maintenance.
