Greetings!

ABET is conducting *ABET Accreditation and Program Assessment Workshop in India for the first time*. Same Workshop is being held at two locations as follows

- *Chennai* September 28, 2015 at Le Royal Meridian , Chennai from 9.00 AM to 5.30 PM
- *Delhi* September 30, 2015 at JW Marriott Hotel, New Delhi Aerocity from 9.00 AM to 5.30 PM

Workshops are being held in Association with IEEE Education Society Chapter, India Council

The Objective of the Workshops are to familiarize the participants with basic concepts of Accreditation, Program Assessment, the requirements of ABET's accreditation Process and the requirements for requesting an initial program review.

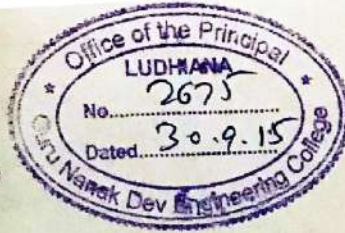

Intended audience of the workshop

- (i) Leaders of Academic institutions who want to understand the ABET Accreditation Process
- (ii) Vice-Chancellors, Directors who want to understand the requirements of ABET's accreditation Process
- (iii) Deans, Head of Department, Faculty who will be involved in preparing the Self Study Report for ABET Review
- (iv) Practitioners, Policy Makers, Thought leaders who want to understand the Accreditation Process to bring a quality change in Higher Education in India

Dr. Joe Sussman, Chief Accreditation Officer and Chief Information Officer for ABET will be the key resource person for the workshop. Apart from that workshop will be led by ABET IDEAL Scholars.

Subject - Regarding Permission to attend TEQIP-III sponsored one - week FDP on "Application of Total Station and DGPS for projects includes field practices" at ESCI, Hyderabad from June 24th, 2019.

Respected Sir

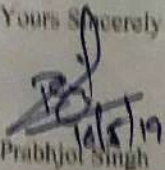

This is to inform you that the Department of Water Resource Development ESCI, Hyderabad is organizing TEQIP-III sponsored One - Week FDP on "Application of Total Station and DGPS for projects include field practices" from June 24th-28th, 2019.

Presently we are providing consultancy in the field of survey using total station only while the Department has purchased DGPS also. This is very fast and modern instrument in the field of surveying. The above course is about to handle and operate total station and DGPS and it will also provide hand on practice. I am sure that after completion of above course I will be able to survey in the field using DGPS. Moreover, this FDP will also enhance my technical knowledge for the relevant courses like Surveying and Geomatics engineering.

Therefore, it is requested to allow me to attend the same under TEQIP-III and grant TA/DA and the registration fee of the course as per TEQIP-III norms.

Thanking you in anticipation.
