- ❖ Major /Minor projects to the tune of Rs. 2.0 Crores have been received.
- ❖ Faculty published 216 quality research papers in National/International Journals and Conferences
- ❖ Faculty generated consultancy worth Rs. 1.2 Crore
- ❖ Equipments worth Rs. 72.04 Lakh were purchased
- ❖ About 80 students secured various awards and recognitions
- ❖ Various activities 10 in numbers like STTP, Workshops, Conferences, Seminars were organised at Institutional level.
- ❖ Financial support worth Rs. 3.5 Crores was received from various funding agencies in the form of scholarships.

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

- Two way visibility of attendance.
- Inclusion of student in evaluation

7.4 Contribution to environmental awareness / protection

- ❖ Environmental Awareness Programme are organised for students as well as faculty from time to time.
- ❖ Separate cell i.e. Ground & Gardening exists for protection of environment and keep the trees alive and green and to feed them with manure.
- ❖ E-waste is followed as per Govt. policy.
- ❖ Solar system is in place in the form of street lights etc.
- ❖ Dustbins have been kept at all prominent places to keep environment eco-friendly.
- ❖ Water harvesting system is in process.
- ❖ No vehicles is allowed to enter in academic area.

7.5 Whether environmental audit was conducted? Yes No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strength

- Locational advantage since located in industrial hub of Punjab.
- **70% seats are reserved for underprivileged (Rural) section of the society**
- **All seven UG courses accredited through IEI. The institution is NAAC 'A' grade and TCS accredited. Four PG programmes i.e Structural, Production, ECE, Geo-Tech. Engg has been accredited by NBA under TIER-1.**
- **Conferment of autonomous status from UGC.**
- Only Govt. Aided College of Punjab running 15 PG programmes in engineering.
- MoU signed with international Universities by different departments.
- **Only government aided engineering college** of Punjab running successfully part time post graduate courses for field engineers/working teachers since 1980
- Apart from central library every department has its own departmental library
- Apart from central computer centre every department has a separate computational lab
- EDUSAT facility
- All faculty members are provided with Laptop, computer, internet connectivity at individual office.
- Grants received from AICTE /DST and other agencies against research project/Seminar/travel
- Internet connectivity at faculty residences and hostels also
- An independent Testing and Consultancy cell with an annual turnover of around one crore
- Availability of power back up and Wi-Fi facility to the whole college including hostel
- Among first six institutes of the country where STEP was started and among few institutions in the country where self sustaining STEP is running successfully
- Excellent sports facility & excellent performance in Sport activities under PTU.
- Registered Alumni Association with many branches existing around the globe and an alumni home in the campus
- Surveys conducted by different National magazines like Outlook, CSR, India Today etc. repeatedly placed the college among top ranking

Weakness

- Input of low merit students at the entry level due to mission of the college
- (70% seats reserved for rural students)
- Needs Refurbishment of washrooms and replacement of Electrical fittings and appliances
- Limited specific Laboratories for PG Programme
- Needs Separate Faculty Cadre for PG Courses
- Needs New titles in print as well as digital form in departmental and central library
- Lack of Industry- Institute interaction in a purposeful manner.
- Inadequate mechanism of industrial exposure for faculty and staff which can update the latest technical knowledge and skill being used by the industry

Opportunities

- Opportunities for integrated courses due to demand and Locational advantage of the campus
- Ludhiana being the industrial hub for medium and small scale industry, opportunities for starting short term and long term Industry specific courses for industrial personnel
- Opportunities of developing need based appropriate technologies for specific small and medium scale industry of the region
- Opportunities for collaboration with foreign universities for dual degree in upcoming technologies to meet the global challenges
- Opportunities of establishing new centre of excellence with collaboration of established foreign universities and research lab/National Institution & National Research Lab.
- By encouraging in-house research and collaborating with leading national institutes/Research lab it is possible to enhance publication and patent in each department.

Threat

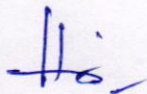

- Escalation of cost of education prohibiting the underprivileged section (rural students) of the society to opt for the technical education
- Merit of incoming students is getting affected due to opening of many new engineering colleges in the region.
- The trend of students towards engineering courses is decreasing.
- Bright students not opting teaching as profession thus making difficult in replacing the retired teacher with an equally intelligent new entrant, thus declining the supply of quality faculty

8. Future Plans of action for next academic year (500 words)

- ❖ To encourage faculty to present paper in National and International Journals/Conferences
- ❖ To encourage faculty to apply for new research projects
- ❖ To encourage students to participate in Sports, Cultural and Co-curricular activities, which is essential for their overall personality development
- ❖ Improve transition rates of students
