Direct admission by Affiliating Colleges for B.Tech. (First year, Second year-LEET), M.Tech. (Full-Time, M.Tech. (Part-Time), MBA (First year) , MCA(First, Second Year-LEET)

After expiry of two online rounds by the Affiliating University, the University authorizes its affiliated colleges to fill their vacant seats by direct counseling. For direct counseling, the college give advertisements in leading newspapers for wide circulation.

For B.Tech. admissions, applications are invited and merit is prepared on the basis of JEE (Main) as well as 10+2 (Non-Medical) i.e qualifying exam. After that seats are allotted on the merit basis. After completion of 2-3 rounds, vacant seats if any, are filled by spot counseling. For spot counseling, applications are invited on a prescribed performa (available on college website) till 12 noon from Monday to Friday and after preparing the merit list for the same, counselling is conducted at 2.00 pm on the same day.

This process remains continue till all the vacant seats are filled or up to the expiry of last date of admission as notified by the Affiliating University whichever is earlier. The tentative date of closure of admissions is fifteen of August of that year.

Ph.D

The college also offers research facilities in various departments leading to the award of Ph.D Degree

Ph.D (under QIP) Minor Centre (Code GN)

Intake

3 seats in disciplines Civil Engineering (Code CE), Mechanical Engineering (Code ME) and Electrical Engineering (Code EE)

Eligibility

Only candidates (such as Lecturers, Readers, Workshop Superintendents, Asst.Professors, Associate Professors and Professors) with a minimum of three years teaching experience as full-time regular/permanent teachers of AICTE approved Degree level engineering institutions are eligible to apply. Admissions to Ph.D degree programme under QIP are open only to a candidate with a basic degree in Engineering or Technology or such other qualification. Computer Programmers, System Programmers, workshop Staffs, Guest Lecturers, Visiting Lecturers, Teaching Assistants, Adhoc/contract or Part-Time teachers, Research Engineers, Scientific Officers, Technical Assistants and other such categories of staff are not eligible. Teachers of Major QIP centre are not eligible. Teachers of Minor QIP Centre are eligible to apply to Major QIP Centres. Teachers of the minor QIP centres are permitted to apply for a field of specialisation available in another minor QIP centre, which is not available in their parent department on the specific recommendations of the Departments' and Institute Head. Candidates

complete M.Tech. Under QIP programme can not apply before completion of the bond period at their parent institute.

Advance Admission Scheme

As per the advance admission for the Ph.D degree programme under QIP, a candidate will receive admission during 2018-19 session to the Pre-Ph.D programme and on successful completion of this programme, he/she shall be offered admission to the regular Ph.D programme during 2019-2020. During the one year period of the Pre-Ph.D programme, the candidate is required to make maximum four visits to the institute (to which he/she is offered admission) for a total period of sixty days, to decide on the area of research, to identify guide, and to start preliminary work. During this period, the candidate is to be treated as on deputing by the sponsoring institute.
