Principal

Subject: Permission for Remuneration to the external Expert for reviewing the question papers for which complaints are received.

Respected Sir,

During every end semester examination, examination branch receives complaints about questions of a few question papers (like wrong / incomplete statement, missing data, out of syllabus etc.). To check the genuine-ness of the complaints against question papers, these cases are sent to external experts in the subject concerned. As of now no payment is given to external expert for giving comments on the question papers received for grace marks. Because of this it is sometimes very difficult to get the consent of external expert for giving comments. Therefore, it is requested that permission may be granted to give a remuneration of Rs. 500/- per question paper to the external expert for reviewing and giving comments in the concerned question paper.
