SOLAR PV PLANT AT GNDEC

Director,

Subject: Installation of 100+50kWp Solar PV plant

This is in continuation to our submission regarding installation of additional 100kWp plant after the successful run of 50kWp solar power plant installed atop MBA block. We have got the site survey done by PEDA, Chandigarh. M/s. PEDA have now communicated (copy of letter enclosed) that after the new tender the prices of solar PV installations have dropped further. They have given the following offer:

S.No.	Capacity	Area Requirement	System Cost	30% subsidy	Beneficiary Share
1.	50kWp plant	5500 sq.ft	Rs. 3769659/-	Rs.11,25,000/-	Rs.26,44,659/-
2.	100kWp	11000sq.ft	Rs.70,40,000/-	Rs.21,12,000/-*	Rs.49,28,000/-
	TOTAL		Rs.1,08,09,659	Rs.32,37,000/-	Rs.75,72,659/-

* Maximum limit for subsidy is Rs.22,500/- per kWp

In view of the above, it is suggested and recommended that one no. 50kWp atop PG block and one no. 100kWp solar PV plant be installed through PEDA, Chandigarh. It is likely to reduce the electricity bill by Rs.1,35,000/- per month.

Submitted for approval and further directions please.

PSPCL has asked the institute to revise MDI. These plants will help to offset the MD and as such shall be beneficial for the institution.

In view of the proposed cum recommendations for installation of 100kWp + 50kWp solar plants, as a result reduction in electricity bill and also to stop further increase in MDI, it is recommended that permission/approval may be given for such solar plants with the cost mentioned above from AP/DF as this power enhancement is going to help classes & laboratories.

Sub:- Regarding release of Central share from second installment.

Sir,

As you are well aware Guru Nanak Dev Engg. College, Ludhiana is one of the beneficiaries of the TEQIP-II scheme under sub component 1.1. The college has been performing creditably since the inception of the scheme and has been receiving full cooperation/guidance from SPFU.

However, now we are facing certain problems due to the non receipt of Central share already lying with the State Govt. since 1.10.2013. In this context, the detail of funds released from NPIU to SPFU and from SPFU to GNDEC, Ludhiana is as under :

Sr. No.	Letter No. & Date	Grant released by NPIU to SPFU, Punjab(NPIU Share) i.e. 75%	State Govt. (SPFU Share) i.e. 25%	Total Amount due to be released	Status of Grant received from Govt. of Punjab to GNDEC	Balance to be received from State Govt. (SPFU) to GNDEC
1.	Letters Dt. 14.12.2011	1.50 Crore	0.50 Crore	2.00 Crore	0.00	-
2.	No. 1052 Dt. 11.12.2012	1.50 Crore	0.50 Crore	2.00 Crore	2.00 Crore	-
3.	NPIU/TEQIP-II/FIN/28/1277 Dt. 1.10.2013	4.95 Crore	1.65 Crore	6.60 Crore	0.00	-
4.	No.07TE/TEQIP-II/197 Dt. 17.3.2015	4.95 Crore	1.65 Crore	6.60 Crore	1.65 Crore	4.95 Crore

It is submitted that the College has already spent more than this amount after taking loan from its BOG, in anticipation of its receipt from State Govt. However even though around 3 years have elapsed, the State Govt. has not released the Central share received from NPIU to us. NPIU has refused to release its share of the balance of Rs. 1.40 crore due from it till the amount already remitted to State Govt. is released to the College.

It is brought to your notice that the project is scheduled to close on 31st Oct, 2016 and we are likely to lose the remaining grant from NPIU, if the State Govt. does not release the already received grant immediately.

Further, it is submitted that our College has been recognized as a well performing institute under TEQIP-II and is eligible for an additional grant of Rs. 5.00 crore (vide mail dated 11th Mar, 2016). Thus we are in danger of losing Rs. 6.40 crore due to this inordinate delay on part of State Govt.

You are requested to take immediate steps to get our grant released. If need be we are ready to plead our case before the Hon'ble Finance Minister in conjunction with SPFU, so that the state does not lose out on much needed funds for enhancement of quality of technical education in the state.

In anticipation of an early response.

Thanking You,

Director
