Sir,

Most respectfully it is stated that I am pursuing PhD at Carleton University, Ottawa, Canada and was on EOL till 10th Dec 2016 for the same. I rejoined my duties on 12th Dec 2016 after completing my PhD but my final PhD defense is still pending. I got an email from, Dr Yvan Labiche, my supervisor (copy attached) in which he mentioned that he is planning to conduct my defense during the mid of February 2017. Due to this reason, I will have to leave for Canada about three weeks prior to defense for submission formalities and will require about 4 months after defense for the final submission and for performing any changes that might be suggested by the defense committee and for the convocation. The convocation is planned from 13th June to 16th June, 2017 as per attached letter.

Taking my predicament into consideration kindly allow me to avail leave as per following: I have 75 Earned leaves to my credit. Kindly allow me to avail Earned Leave starting from 23rd January 2017 to 7th April 2017. Thereafter, kindly allow me leave without pay till 7th July 2017, so that I can do all the remaining formalities at Carleton University, Canada.

I shall be highly obliged.

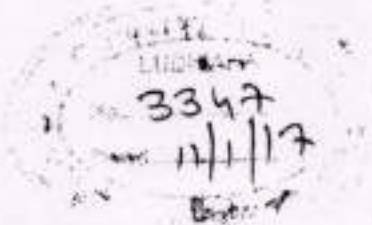

Thanking you.

Subject: Regarding Extension of leave for one year w.e.f 27.01.2017 to 26.01.2018.

Respected Sir,

I wish to state that I am working as an Assistant Professor on regular basis in Civil Engineering Department of the college. This is in reference to Letter No. HK/E 3497 dated 24.01.2014 regarding permission of one year leave w.e.f. 27.01.2014 to 26.01.2015.

This is to further mention that my sister-in-law is going through severe migraine problem and long treatments. They cannot come to India as the only source of income of my brother will completely vanish. Keeping this genuine health problem into consideration, it is requested to extend my leave from college for two years for Australia so that the treatment of my mother and sister-in-law can be done there.

Therefore, it is humbly requested to grant me an extension of leave for one year w.e.f 27.01.2017 to 26.01.2018 so that proper care and treatment of my mother and sister-in-law can be done. She cannot come back again and again as she is B.P and sugar patient.

So it is kindly requested to grant me a leave and do the needful.

Nature	Amount of leave	Conditions
(a) Delivery Effective from 24-11-1988	up to 180 days without any medical certificate	the date of confinement falls within the leave
(b) Miscarriage and Abortion of	6 weeks	On the certificate of RMP but in case of doubt certificate Or Assistant to Civil Surgeon or A gazetted Medical Officer can Also be called for

Note :- In case of 'miscarriage' and 'abortion' maternity leave will be admissible only when a woman has less than two living children but leave of the kind due can be sanctioned, on production of medical certificate to others. [484]

Clarification :- It has been clarified in paragraph 3 of PG Circular letter No. 2/3/1990-3 FPII/7120, dated the 17th August, 1990 that the intention behind Rule 8.127 (a) of the Punjab C.S.R. Volume 1 Part 1 is that a female Government employee is entitled to avail herself of maternity leave for any number of times so long as she does not have three living children at the time of submission of application for such leave.

A doubt has been expressed whether the above mentioned letter dated 17-8-1990, has superseded the decision contained in the Department of Finance letter No. 10/77/88/FPI/10304, dated 24-11-1988, to the effect that the maximum limit of maternity leave to the women employees shall be 180 days without the necessity of production of a medical certificate because Rule 8.127(a) abid provides that the period of maternity leave shall not ordinarily exceed three months. In this connection it is clarified that the decision contained in the above mentioned letter, dated 24-11-1988, still remains unaffected and the maximum limit of maternity leave to the women employees continues to be 180 days without the necessity of production of a medical certificate. [496]

With effect from 8-11-1995 the total period of Maternity Leave on account of miscarriage/abortion should be restricted to 45 days in the entire career of a female Punjab Government employee. In calculating the number of days of maternity leave such maternity leave granted and availed of by a female Government employee in the past should not be taken into account. However, in cases, requiring longer duration of rest, leave of the kind due, and admissible can be availed of to cover the period of absence. [1072]

727. (i) Regular leave with maternity leave can also be prefixed;

(ii) suffixed;

80

(a) on medical certificate

(b) [xxxx stands annulled due to raising of leave period to 180 days]

(c) in case of illness of a newly born baby, on production of certificate from the AMA, that the condition of ailing baby warrants mother's personal attention and presence by the baby's side. This concession is available to permanent employees only. [1073]

728. Employees on adhoc basis who had completed the term of 6 months and declared medically fit at the time of joining or thereafter may be granted maternity leave upto 3 months, subject to the condition that the leave so granted does not exceed beyond the date of adhoc appointment. [1074]

Maternity Leave to Adhoc Employees : A question of law came for adjudication before a Division Bench whether women employees appointed in government service for 89 days were legally entitled to maternity leave and other consequential benefits.

Counsel for the petitioner, contended before the court that the petitioner, Mrs. Sunita Rani, was appointed as a teacher in Government Girls Senior Secondary School, Guru Harashai, initially for 89 days. Her period was extended from time to time. During her service she applied for maternity leave. Later on her application for leave was cancelled by the School Principal, stating that there was no provision under which the employees who have been employed for 89 days could be granted maternity leave. This order was challenged in the high court.

Agreeing with the arguments put forth by counsel of the petitioner, the Division Bench allowed the petition and further directed the Department to release the maternity leave benefits and all other consequential benefits to the petitioner. [1075]

729. Rule 8.137-A of C.S.R. Volume 1 Part I for the grant of maternity leave is uniformly applicable to permanent and temporary Government employees and accordingly Maternity leave may also be granted to such female Government employees as have been recruited on adhoc basis, for a limited period. However, the question of grant of Maternity leave to female government employees during the first six months would not arise because women candidates for recruitment to State service who, at the time of medical examination, on first entry into Government service are found pregnant of 12 weeks' standing or over, are to be declared temporarily unfit until the confinement is over. In other words such temporarily persons will not be recruited to service on adhoc basis till they are fit for duty after the confinement. This limitation from medical point of view needs to be kept in view and duly observed. [1076]

Note : In case of employees posted in Chandigarh, the matter regarding extension of maternity leave including absorption leave has been entrusted to Senior Medical Officer, Post partum Programme (Female), General Hospital, Sector 16, Chandigarh. [1077]

730. **Hospital Leave to permanent Employees** : For such period as may be considered necessary, and not debitable to Leave Account, on full pay drawn immediately before proceeding on leave for the first 120 days, and on half pay for the remaining period is granted for the medical treatment of their illness or injury to class IV employees and such

three years, and he fails to complete the course within the prescribed period, the Government in spite of such sanction would obviously be not bound to grant concession to the candidate beyond the period of the course. Inability or failure on the part of an applicant-doctor to complete his course within the prescribed period of the course, would not entitle him to any further benefit. But this restriction will be hardly of any consequence if the candidate has completed his course within the prescribed period, then he should be entitled to the benefit of the permission of the Government, once it is exercised in his favour. This to us appears to be the correct interpretation of the afore-stated terms seen in the background of the facts and circumstances of this case.

The present case is certainly not one where the permission was *ultra vires* the Rules or competence of the Authority granting such relief. Thus, the Court would not come to the rescue of the defaulting party and more so when the action springs from exercise of powers in furtherance to the statutory provisions. Such an action would not come within the exceptions laid down by Hon'ble Apex Court in the case of *Vasant Kumar Radha Kishan Vora v. The Board of Trustees of Port of Bombay* JT 1990(3) S.C. 609.

Principles of promissory estoppel - Reservation for in-service candidates to pursue Diploma and/or Post-Graduate Course in Medicine and surgery - Petitioner availed benefit of one year study leave granted under rule 8.126 of CSR Vol. I, Part I, in a Diploma course - Petitioner later on permitted to join P.G. course in the State Medical College Session 1991 "Three years Residency course, by the respondent Government - He also executed a bond to serve the Punjab Govt. for 5 years or in default shall be liable to pay Rs. 1,00,000/- + Rs. 50,000/- as bond money of previous bond to the Punjab Govt. - However, petitioner allowed benefit of salary for 2 years only, on the ground that he has already availed benefit of one year for Diploma Course - Held, the State has authority to grant permission for such purpose or decline the same - But once the State exercised its discretion in favour of the petitioner, the State cannot be permitted to go back on such permission to the disadvantage of the applicant - Terms of the bond even specified the period for which the petitioner was given permission to join the course at State expense - Held, petitioner is entitled to get pay and allowances/stipend for the complete duration of the course. *Dr. Ashok Kumar v. State of Punjab*, 1998(1) SCT 78(P&H)(FB)

Study leave - Discrimination. - The plea of discrimination was raised, It was held that the rule 8.126 of the rules does not cast a duty on the government to grant study leave to all those employees who undergo a special course of instructions or training.

(iii) Maternity Leave and Hospital Leave³

- * ³[8.127. (a) The competent authority under Rule 8.23 may grant to a female Government employee maternity leave on full pay for a period not exceeding 180 days without the necessity of production of a medical certificate and the grant of such a leave, shall be so regulated that the date of confinement falls within the period of this leave and the leave so granted shall not be debited against the leave account of the female Government employee :

Provided that no leave under this sub-rule shall be granted to a female Government employee who has three or more living children.

Note. - Extension in leave, if any, on the expiry of maximum period of 180 days maternity leave, shall be permissible by the grant of leave of the kind due.]

Note 1. - During such period she shall be paid leave salary equal to the pay drawn immediately before proceeding on leave. The term "pay" in this rule includes officiating pay : Provided the authority sanctioning the leave certifies that the Government employee would have continued to officiate had she not proceeded on leave.
