

GURU NANAK DEV ENGINEERING COLLEGE, LUDHIANA

INNOVATION COUNCIL

Ref.No.GNDEC/IC/2021-22/16

June 16,2021

Minutes of Meeting

The third meeting of the innovation council was held on 12th June,2021 in online mode. The following were present:

Dr. Sehijpal Singh, Principal, GNDEC
Er. Lalit Sharma, Industry Representative
Er. B S Dhillon, Industry Representative
Sh. R K Parmar, Director, MSME- DI, GoI
Dr. Sumeet Kaur Seehra, CSE
Dr. Jagdeep Singh, PE
Er.Chahat Jain, ECE
Er. Baljeet Singh Ahluwalia, EE
Dr. Arvind Dhingra, Executive Director, STEP

The following points were discussed:

1. For mentorship of students, it was decided that industry representatives would suggest some mentors in addition to the faculty members available as mentors. The domain of expertise of mentors would also be made public. The experts were of the view that students must learn acceptance of failure. They should exhibit passion to excel.
2. Principal informed that there was a move to introduce a compulsory course in entrepreneurship for 7th/8th semester students to increase trend towards entrepreneurship. Experts wanted a more detailed discussion and left the decision to college for proceeding further.
3. Industrial visits to local industry for students right from first year need to be organized in small groups of students. This would be aimed at students understanding the process of industry and suggesting ways to improve upon the existing system.
4. For screening of business ideas, committee with mentors on board to be constituted on need base by Executive Director-STEP GNDEC

There being no other matter for discussion, the meeting ended with vote of thanks.

Dr. ARVIND DHINGRA
Executive Director
STEP-GNDEC

Cc: to all members of innovation council
