To,

The Director

Subject: Accreditation status of programmes applied by Guru Nanak Dev Engineering College, Ludhiana, Punjab.

Sir,

This has reference to your application dated 06-12-2011 in Tier-I format seeking accreditation by National Board of Accreditation for UG Engineering programmes offered by Guru Nanak Dev Engineering College, Ludhiana, Punjab.

2. An Expert Team conducted on-site evaluation of the programmes during 24th to 26th April, 2015. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programmes as given in the table below:

Sl. No	Name of the Programmes	Level	Basis of Evaluation	Accreditation Status	Period of validity w.e.f. 01.07.2015	Remarks
(1)	(2)	(3)	(4)	(5)	(6)	(7)
1.	Mechanical Engineering	UG	Tier-I Document	Provisionally Accredited	2 years	Accreditation status granted is valid for the period indicated in col.6 or till the program has the approval of the competent authority, whichever is earlier
2.	Production Engineering	UG	Tier-I Document	Provisionally Accredited	2 years	
3.	Electronics & Communication Engineering	UG	Tier-I Document	Provisionally Accredited	2 years	

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The above programmes have been granted provisional accreditation for 2 years. As such, Guru Nanak Dev Engineering College, Ludhiana, Punjab should submit the Self Assessment Report alongwith a compliance report at least after 1 year to be considered by the Engineering Evaluation and Accreditation Committee (EEAC) to formulate a view whether compliance report is enough to recommend for accreditation or a visit to the Institute is necessary. The recommendation of EEAC will be considered by the Sub-Committee of Academic Advisory Committee of Engineering for decision.

5. The accreditation status awarded to the programmes as indicated in the above table does not imply that the accreditation has been granted to Guru Nanak Dev Engineering College, Ludhiana, Punjab as a whole. **As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is programme accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously.** Complete name of the programme(s) accredited, level of programmes and the period of validity of accreditation, as well as the date from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programmes is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programmes as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.
