Terms & Conditions

1. The site of the works can be seen during the working hours and the drawings in this regard are available with the SDO, Construction & maintenance Cell of the college.
2. The applicant/contractor must have completed similar projects successfully in the last five years. They have to attach a completion certificate from owner of that building(s) to this effect along with the quotation/offer letter.
3. The work shall be executed as per the approved drawings and the specifications in this regard and to the satisfaction of the inspection committee constituted for these construction works.
4. Nothing extra will be payable, except the taxes to be paid as per the submitted bill. TDS and other levies will be deducted as per the norms.
5. Performance security @ 5% will be deducted from the running bill, refundable after six months of the completion.
6. Steel and cement will be supplied by the college.
7. Electricity and water will be provided by the college. Necessary deductions in the rates shall be made on this account.
8. The rates shall be submitted separately for the *civil works and plumbing & sanitation* part only. Electrical work and Joinery are beyond the scope of this notice.
9. Only good quality materials meeting the requirements of applicable BIS guidelines and the PWD specifications shall be used.
10. Brands permitted for various materials shall be as per the following tabulation:

S. No.	Material	Brands
1	Tiles	Vitrified, double charges floor tiles and ceramic wall tiles from Kajaria. Colour / shade as per the design
