

## Report

National Conference on Industrial Engineering and Technology Management NCIETM 2016 was organized by NATIONAL INSTITUTE OF INDUSTRIAL ENGINEERING (NITIE) MUMBAI in association with IIIE, MNIT-Jaipur, NPC & PEC University of Technology from November 17-19, 2016. I presented the research paper titled “Impact of SPC tools on manufacturing Industry of Punjab-An Empirical Investigation” in Technical Session-2 chaired by Prof. Rajendra M. Belokar on November 17, 2016. Around 100 participants attended this conference on first day. I found this conference to be very useful. This conference served as platform for me to interact with other researchers coming from other part of the country. I am really thankful to TEQIP-II for providing this opportunity.

## Report

Annual Research Meet-ARM 2016 was organized by Venus International Foundation, Chennai on December 3, 2016 at Le Royal Meridien, Chennai. Around 20 presentations were made in whole day. I delivered the technical talk on the topic “Optimization Techniques” in Session-II Track 2C. Around 250 participants attended this event. Apart from technical session, there was award ceremony for VIRA 2016. This ARM-2016 served as platform for me to interact with other researchers/academicians coming from other parts of the world also. I found this activity to be meaningful. I am really thankful to TEQIP-II for providing this opportunity.
