

ABOUT THE INSTITUTE

Guru Nanak Dev Engineering College, Ludhiana is one of the oldest and premier Engineering Institutes of India. It is an autonomous college under UGC Act 1956 [2(f) and 12(B)]. The Institute is setup on 88 acres of sprawling pristine land on Ludhiana-Malerkotla state highway. Ludhiana city is a well known Industrial hub in Northern India and is well connected by direct rail service with all parts of India. The beautiful campus is about 7 kms away from railway station.

PROGRAMME OBJECTIVES

Design of curriculum includes and takes care of development of human resources in all aspects i.e. knowledge, skill and values/ attitudes, but in actual practice greater focus is on teaching i.e. knowledge of facts, concepts, principles and theory etc and development of performance skills. Although Vision, Mission, PEO's, PO's and CO's given in the criteria of program accreditation under NBA do emphasize the need of values, attitudes and ethics as well of soft skills among the professionals, still much needs to be done these days to inculcate value education among the students.

This FDP aims to discuss and understand the taxonomy of values and the innovative approaches for developing these in heterogeneous group of students.

COURSE CONTENTS

Following topics related to the program will be covered:

- Universal Human Values, Professional Ethics and attitudes;
- Professional & work competencies of an engineer and his development
- Personality - concept, types, self efficacy and development;
- Vision, Mission, PEO, PO, CO and Curriculum - Auditing for Values;
