

National conference on Inter- Disciplinary Research in Engineering Technology & Management at Global Institutes Amritsar

I was sponsored by TEQIP-II Cell, Guru Nanak Dev Engineering College, Ludhiana to attend and present the paper in the National conference held at Global Institutes Amritsar on Dated Dec. 17-18, 2014. The said Conference sponsored by PTU Jalandhar. The conference was attended by 110 participants out of whom 45 persons presented their Technical papers. I have presented my technical paper on “**Application of Quality control Tools**” which was appreciated by participants. Dr. Arvind Bhardwaj Director of the Institute was the chairman of the conference. The main focus of this conference on to share the Technical knowledge on different Disciplines. Dr Arvind Bhardwaj (Director, GIMET), Dr. N.S Bhalla (Director, GIM), interacted with the participants. The conference was very Informative I have gained lot of knowledge from this conference. I Thankful to TEQIP-II Cell who gave me opportunity to present my paper in the conference.
