

**Int. Conf. on Computer Application in Electrical Engineering- Recent Advances:
Smart Grid Technologies**

I have been sponsored for attending the 5th International Conference on “Computer Application in Electrical Engineering- Recent Advances: Smart Grid Technologies” which has been held at IIT Roorkee (Uttarakhand), during 3-5, Oct., 2013. I have presented my paper titled “Fuzzy Decision Making for Combined Market and Emission Dispatch Problem in Deregulated Environment” in a session which has been Chaired by Dr. A.K. Pradhan from IIT, Kharagpur and Dr. E. Fernandez from IIT, Roorkee. A number of distinguished dignitaries from India and abroad have attended and presented their ideas in the conference.

(Dr. Kanwardeep Singh)

Assistant Professor,
Deptt. of Electrical Engg.
G.N.D.E.C., Ludhiana
