Guru Nanak Dev Engineering College, Ludhiana Civil Engineering Department

No._____

Dated: <u>18th March 2015</u>

Course	Semester	Session	24 March 2015 Tuesday	25 March 2015 Wednesday	26 March 2015 Thursday	27 March 2015 Friday
B.Tech	4 th	М	Fluid Mechanics-II	Design of Concrete Structures-I	Geomatics	Structural Analysis-I
		E	Const. M/C & Works Mgmt	Irrigation Engineering-I	Aptitude Test	X
	6 th	М	Design of Concrete Structures-II	Foundation Engg.	Professional Practice	Numerical Methods in Civil Engg
		E	Environmental Engineering-II	Elements of Earthquake Engineering	Aptitude Test	X
	8 th	М	Design of Steel Structures- II	Irrigation Engineering-II	Pavement Design	Hydrology and Dams
		(1230hrs to 1400hrs)	x	X	Pre-stressed Concrete Structures	X
		E	Transportation EnggII	Disaster Management	Aptitude Test	Ground Improvement Techniques
M.Tech	Structural Engineering	М	Plastic Analysis and Design of Steel Structures	Bridge Engineering	Design of Highway and Airport Pavement	X
		E	Research Methodology	x	X	X
	Geotechnical Engineering	М	Analysis of Settlement of Soil & Foundation	x	X	Advanced Foundation Engg.
		E	Research Methodology	Highway Materials and Construction	X	X
	Environmental Science	М	Biological Treatment methods	X	X	X
		E	Research Methodology	X	Air Pollution and Control	Pollution Monitoring Techniques

*M – Morning Session (1030hrs to 1200hrs) and E – Evening Session (1430hrs to 1600hrs)
