Module 1: Introduction to Finite Element Analysis (04)

Lecture 2: Basic Concepts of Finite Element Analysis (Page: 7-12)

1.2.2 Discretization of Technique Basic

1.2.3 Concepts of Finite Element Analysis

1.2.4 Advantages of FEA

1.2.5 Disadvantages of FEA

1.2.6 Limitations of the FEM

1.2.7 Errors and Accuracy in FEA
