Sub: Verification of Degrees / DMCs for promotion under CAS

With reference to OO RK 38/1291 Dated 12/08/2015, the committee constituted to scrutinise the promotion cases [ under Career Advancement Scheme (CAS) from Associate Professor to Professor as per AICTE guidelines ] met on 26<sup>th</sup> Feb 2016, and deliberate on DMC / Degrees issued by Punjabi University in the case of Dr. Akshay Girdhar and Dr. Kulwinder Singh Mann. Both were given opportunity to brief committee on the issue.

They informed that Punjabi University notified Master of Technology (Information Technology) w.e.f 2001 on part-time basis, which they joined. Later University issued DMCs and Degree as M.Tech (Distance Education), which was objected, and University amended the DMCs / Degrees later. They submitted self attested copies of DMCs and Degree, and showed original DMCs and Degrees. The re-issued DMCs bear “Correction made on <date>”.

Further, it is also conveyed that Punjabi University issue DMC / Degree on the basis of last semester of the course, as it contain marks of previous semester, irrespective when it was cleared.

Committee is convinced that DMCs / Degrees are genuine, however, committee strongly feel that all DMCs and Degree be get verified from Punjabi University, with respect to:

1. That DMCs and Degree issued are for Master of Technology (Information Technology) are for Part-time and not for Distance Education, and are issued by them.
2. Whether Degree in question is approved by any Statuary Body.
