Sir,

It is submitted that our college and its management, Director and a number of faculty members are facing vicious and defamatory attacks on Facebook, which are hurting the reputation of the college as well as individuals. These attacks are being conducted through Facebook web page:

- <http://www.facebook.com/groups/mailgndec/>

The admin of this page, who is unauthorising using college's name, allows members of this group to post defamatory remarks about our prestigious college (more than 60 years old) and about officers and faculty members. The details of group admin is Manpreet Singh Gill.

In the latest incident in the series of such defamatory posts reflecting the corrupt intentions of the Director with context to a Notice Inviting tender (NIT) (related to networking) published in the news papers (Annexure - I), Gurmehar Singh posted paper advertisement, along with comments that with this lot a money will be circulated. Such posts are not only a character assassination of the Director and the purchase committee, but also damages the image of the Institute in the eyes of stakeholders viz. General public, Alumni, present students, vendors etc. It is also likely to damage the Network Modernisation agenda of the college with ethical and reputed vendors keeping away from the process.

You are requested to look into matter and register a case against Mr. Gurmehar Singh and Admin of this group Mr. Manpreet Singh for defaming our Institute Guru Nanak Dev Engineering College, and its staff members.

They are habitual in posting such posts. A sample of few posts are attached with this request.

With regards,

Director

Some of the Derogatory Remarks by Gurmehar Singh on facebook page are given below:-

[Gurmehar Singh](#) our director is a combined personality with qualities of these famous politicians

kapil sibal (idiotic policies)

manmohan singh (puppet of sonia gandhi)

salman khurshid (corruption)

amrinder singh (corruption)

lalu yadav (speech accent)

[Gurmehar Singh](#) he doesn't adopt a personality and ethical manners to represent a 1953 established engineering. neither he and his family has decency in Sikhism, nor gains an appealing personality, neither has an ethical sense of speech, can't make out through situations calmly. the only question me and my fellow genconions have in mind is - what is different in him that makes him director GNDEC! ?

[Gurmehar Singh](#) and our director feels himself as commissioner of police! never walks down to his residence without his ambassador car! never visited hostel, only visits when he needs to join for some delegate lunch. drinks in his office (me and [Deol](#) saw his peon taking liquor bottle and 4 glasses to his office during afternoon hours).
