Guru Nanak Dev Engineering College Campus, Gill Road, Ludhiana

NIT
for
Construction of Sewage Treatment Plant (STP)

Nankana Sahib Education Trust (N.S.Ed.T.), Ludhiana invites sealed tenders from reputed firms / consultants for the construction of Sewage Treatment Plant (STP) at the campus of Guru Nanak Dev Engineering College Campus, Ludhiana. The firms / consultants must have completed a minimum of two similar works in the last five years.

The scope of work includes survey, soil testing, design, supply and construction, installation and commissioning of a STP for a floating population of 3800 and a fixed population of 2000 in the college campus. The survey, layout and soil report can be provided by the trust on request. The proposed design must be based on any suitable, sustainable and proven technology including other appurtenant works on turnkey basis, including Operation & Maintenance* for a period of 60 months after a stabilisation period of 3 months or more.

The interested parties must submit the tender, including the company profile and list of similar works undertaken in the past by 31 Jan, 2016 (4 pm). The prescribed format for the NIT can be obtained by sending a request to:

tcc@gndec.ac.in
testingandconsultancy@gmail.com

Two-bid procedure will be followed. Interested parties should submit the tender in two parts as follow:

1. Technical
2. Financial

Both needed to be sealed separately, clearly mentioning type of the bid on the envelope. Technical committee will evaluate the technical bid and may suggest changes, and accordingly, the party will be given a chance to revise rate because of such changes. After that the financial bid will be opened in the presence of representative of companies / contractors. The date and venue, for the same, will be intimated to all concerned by email and / or phone.

*Note: The O&M of above project includes the repairs and maintenance of all components/Structures of the STP, including the cost of labour, material, chemicals, supervision and any other expenditure contingent there to but excluding the cost of energy charges.
