

The logo is an oval with a light gray gradient background. A large, black, stylized integral symbol is centered vertically and horizontally. The word "LATEXiT" is written in a black serif font across the middle of the integral symbol. The word "LATEX" is in all caps, and "iT" has a lowercase 'i' with a dot above it. Four mathematical formulas are placed around the integral symbol:  $p(k) = e^{\frac{-k^2}{2mT}}$  in the top-left,  $d\vec{r} |\psi(\vec{r})|^2$  in the top-right,  $\frac{\hbar^2}{2\pi m k_B}$  in the bottom-left, and  $T_c = \left(\frac{n}{\zeta(3/2)}\right)^{2/3}$  in the bottom-right.

LATEXiT

$$\frac{\hbar^2}{2\pi m k_B}$$

$$T_c = \left(\frac{n}{\zeta(3/2)}\right)^{2/3}$$
