

ਗੁਰੂ ਨਾਨਕ ਦੇਵ ਇੰਜੀਨੀਅਰਿੰਗ ਕਾਲਿਜ Guru Nanak Dev Engineering College

An Autonomous College U/S 2(f) and 12(B) of UGC Act 1956

NBA Accredited Programmes under Tier-I (Washington Accord), "A" Grade NAAC Accredited, TCS Accredited
AICTE Approved, Punjab Govt. Aided Status - Affiliated to I. K. Gujral Punjab Technical University, ISO : 9001:2008 Certified

Ref. No. LOR/16

Dated 3/11/2015

LETTER OF RECOMMENDATION

It gives me immense pleasure to recommend Gurjot Singh for graduate studies at your university. As Professor in the Department of Civil Engineering and Dean, Testing and Consultancy, I impart training to Civil Engineering and Computer Science students, for duration of six weeks to six months. I first met Gurjot when he approached me for training after two years (four semesters) of his studies. He completed 6 weeks and 6 months training (after 6th Semester) under me and proved that he is one of the brightest young minds who will excel in professional goals he sets for himself.

Gurjot is not only proficient in computers but is equally analytical and sharp in other related Engineering Disciplines. He applies his knowledge appropriately with his practical touch to provide engineering solutions. His work on eCAD - a 2D CAD software as well as a Computer Game that he designed showed his capabilities as a good programmer and was praise worthy.

He has also successfully participated in Google Summer of Code program now twice in a row and has also attended GSoC Reunion held at California, USA. He can work independently with minimal supervision as well as in a team being equally comfortable as leader and follower. He is a keen observer, soft (but firm) spoken, clear in his communications. I am impressed with all his characteristics, dedication and commitment to time schedule.

He has excellent understanding of practical work which leads to great implementation. He is equally well in his academics work with him fetching an average of 80% in his entire degree.

So, overall, Gurjot is a strong candidate for research and higher education at the graduate level. I reiterate my strong recommendation for Gurjot Singh. I am sure he will reach great heights of success and prove to be an asset to your reputed university.

Prof (Dr). Hardeep Singh Rai
Professor of Civil Engineering and
Dean, Testing & Consultancy Cell
