Dear SIR

Google Inc. Will be hosting the Google Summer of Code 2012 Mentor Summit at our Corporate Headquarters in Mountain View, California, USA on October 20-21, 2012. Due to your involvement as a mentor for the Google Summer of Code we would like to extend an invitation to you to attend the summit.

The purpose of the summit is to bring together mentors from all of the organizations who participated in Google Summer of Code 2012 to discuss:

- How to improve the program
- * How Google can do more for open source
- * How mentors and representatives of development communities can help one another

We hope that you will be able to attend. Should you require any further information, please do not hesitate to contact me via email at carols@google.com or via phone on [+1.650.253.1856](tel:+16502531856).

Cheers,
