Dear Sir,

Google Inc. will be hosting the Google Summer of Code Reunion 2014 at our Corporate Headquarters in Mountain View, California, USA and the San Jose Marriott hotel from October 23-26, 2014. Due to your involvement in Google Summer of Code as a mentor we would like to extend an invitation to you to attend the Reunion.

The purpose of the Reunion is to bring together students and mentors from all of the organizations who participated in Google Summer of Code to discuss:

* How to improve the program
* How Google can do more for open source
* How students, mentors and representatives of development communities can help one another

We hope that you will be able to attend. Should you require any further information, please do not hesitate to contact me via email at sttaylor@google.com or via phone on +1.650.214.1656.

Cheers,

Stephanie Taylor
