Letter of Appreciation

It gives me immense pleasure to appreciate your contribution in making the website of Vigilance Bureau, Punjab operational. This website would give another platform for the public to directly interact with the Vigilance Bureau and file complaints online. It is also found to be informative and user-friendly. Launching of this website would definitely take us closer to the Punjab Government's resolve in ushering administrative reforms in the State.

I wish you the very best and hope you would work earnestly in all your future endeavors.

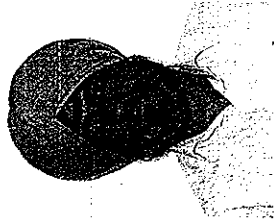

(Sukhbir Singh Badal)

Dr. H.S.Rai,
Dean (Consultancy),
